

For Sale £2000

Built by Wyche & Coppock Ltd in January 1979. Dolphin is a Classic Flying 15 and A 'classic' Flying Fifteen is defined as a sail number below 2701.

Dolphin was purchased in 2000 and was sailed for two years.

Dolphin was then stored at home on drive for the last 8 years, and has been given a full refurbish and is ready to sail.

Trailer has never been immersed in salt or fresh water and is in excellent condition.

Trailer

Dolphin was fitted with a new galvanised Trident road trailer in 2004 (£720). A specially designed trailer for the Flying 15. A-frame construction with a low slung keel support to aid launching and recovery. Complete with standard jockey wheel and 10" road wheels. All non hot dipped galvanised parts have been protected using Zinga anti-corrosion zinc coating system, an environmentally safe cathodic protection to steel comparable with hot-dip galvanising, with the added advantage that it can be applied as though it were a paint.

Also includes the following:

- Flat mast up cover.
- Under cover.
- Rudder Bag.
- Sail/boom cover.
- Laminated wood tiller & tiller extension.
- Spinnaker chute cover.
- Bruce anchor, galvanised chain & nylon warp.
- 4 Fenders & 2 mooring lines.
- 2 mains
- 2 Genoa's
- 1 spinnaker
- Twin spinnaker poles
- 4 x 125kg Buoyancy bags
- Lighting board
- spare 10" road wheel
- Coupling Hitch Lock + Padlock
